Testimonials

5-STAR

Firstly, thank you so much for your patience, kindness, professionalism and help throughout the planning process and on the day. Madelé, thank you for your gentle nature, from day one when we met at Mugg&Bean, you made us feel comfortable. You are a stalwart and thank you for being able to chat with you and ask questions anytime. The food was awesome, the guests enjoyed themselves so much! And the accommodation was great! Suzette, thank you for making our decor and tables look so beautiful, and for your patience with the back and forth about the table decor. The flowers above the pulpit and the birds above our heads looked stunning. And for everything we didn't see that you did for us, thank you very much!

Robyn & Anthon Meiring

LOVELY

Phillip and I just want to say thanks again for everything. The wedding was better than what we could have dreamed of. You literally took care of everything and we are so grateful for you. You are wonderful people-people and it was a privilege for us to be able to spend our day with you. Please also tell Suzette we say thank you very much. She was a superhero that day. If issues arose, she quickly fixed it. Phillip and I are eternally grateful to De La Mas. And we think everyone should get married at De La Mas because you are absolutely fantastic! Thank you very, very much!

Zanelle & Phillip Barnard
